

This list of recipients of the Order of the Silver Crescent was compiled by Archives and History Department staff using Microsoft Access software. Data was obtained from an awards data base maintained by the Hodges administration. Some reference was also made to the paper Hodges awards files in the Archives.

The Order of the Silver Crescent was established by Governor David Beasley in 1997 as a companion award to the Order of the Palmetto for those eighteen or younger. Concerned about the large number of Order of Palmetto awards, Governor James Hodges set up a non-partisan screening committee in 1999 and in May of that year converted the Silver Crescent award into an auxiliary award to the Order of Palmetto regardless of age. This list includes no records for the young recipients of the Order of the Silver Crescent prior to its redefinition in May 1999.

Order of the Silver Crescent Alphabetical List

Mr. James Adams	02/28/2001	Gov. James Hodges
